Javascript	EJS
React.js	Bootstrap
MongoDB	jQuery

Education and Courses:

The Complete 2020 Web
Development Bootcamp

Complete Web Desing

Summary:

I have been very passionate about programs and everything else related to computers ever since the first time I saw one at a very early age. One of the aspects that keeps me so interested is the fact that there is so much to learn. New technologies to learn all the time, finding better and more effective ways to complete tasks and so on.

Personal Projects:
